### Sigma Designs, Inc. Reports Second Quarter Fiscal 2012 Results

MarketWatch (press release)

This sequential decrease is primarily due to the steeper than expected ramp-down of first generation set-top box deployments incorporating our IPTV media processors while certain second generation telco rollouts were delayed unexpectedly.

Stofa: "Within the next ten years most distribution will be done using IP"

IPTV News

Does the move to IP cable place an operator on an equal technological footing as, for example, an IPTV rival? I think that at present cable operators in Europe have more advanced services than most of their IPTV rivals. ...

### Despite Weakening Economy, Europeans' Love for IPTV Remains Strong: Report

TMC Net

Among the pay TV service providers in the region, UK's BSkyB (News - Alert) has continued to hold the number one title, posting 10.1 million subscribers at the end of Q1'11, while French IPTV operators SFR and Free each saw their strongest first ...

Sigma Designs shares slump on weak results, outlook

Reuters

"We see continued revenue erosion and poor execution in both the IPTV and connected home segments," Lazard Capital Markets said in a research note to clients. The brokerage, however, added that Sigma's SMP8652 chip for media players is well positioned ...

### Entone's FusionTV selected for hybrid TV deployment

IPTV News

US telco Tri-County Telephone (T-CT) has selected the IPTV edition of Entone's FusionTV middleware for its deployment of hybrid TV services. ...

### OTE selects Espial MediaBase to power Greek on-demand video services

IPTV News

Greek telco OTE has selected Espial's MediaBase platform to power the on-demand element of its IPTV service 'Conn-x TV'. The telco has implemented one ...

### TiVo Stock up 17% After Latest Earnings

Hollywood Reporter

Janney Montgomery Scott analyst Tony Wible, who has a "buy" rating on the stock, increased his fair value estimate on the stock from \$16.50 to \$18 saying that TiVo "will benefit from rising IPTV competition that will lead more [pay TV companies] to ...
