Canal Digital stays with Telenor group as sale to Com Hem cancelled

TeleGeography

Com Hem has argued that the agency's decision should have taken into account the pay-TV market as a whole, including direct-to-home (DTH) satellite and, particularly, IPTV, rather than the cable market alone, according to Broadband TV News. ... DTT set-top shipments expected to peak next year

IPTV News

"Naturally, this is strongly affected by low ARPU IPTV offerings with set-top boxes that include DTT tuners." The free-to-air DTT platform in France is predicted by IMS Research to "nearly disappear" by 2015. Furthermore, in emerging markets like Latin ...
