IPTV crew impressed with Kalona

The Kalona News

As they left Kalona Wednesday afternoon, Dan Kaercher and John Torpy of IPTV (Iowa Public Television) were already looking forward to the next time that they could come back to Kalona. Kaercher, host of IPTV show "Iowa's Simple Pleasures," and ...Bell Aliant reports second quarter 2012 results

FierceIPTV

IPTV revenue reached \$19 million in the second quarter of 2012 with total IPTV customers of 95100 at the end of June 2012. FibreOP TV customers grew by 13000 in the quarter to reach 65300, a portion of which were migrations from Bell Aliant TV. Overall ...

UTStarcom Announces Strategic Initiatives

MarketWatch (press release)

As part of this strategy, the Company will divest its IPTV equipment business, which will become a privately-held standalone company. Once the divestiture transaction closes, Mr. Jack Lu will lead the new IPTV equipment business, thus leaving his ...

Bell Aliant Q2 revenue down 0.7 percent, but FTTH, IPTV expansion continues

FierceTelecom

Bell Aliant's (Toronto: BA.TO) IP service growth pains continued into the second quarter of 2012, as the service provider's operating revenue dropped 0.7 percent to CAD 688 million (USD 675 million) due to declines in traditional local and long ...

TRAI to float consultation paper on media ownership

Daily News & Analysis

People need to think whether newspaper, television, radio, IPTV, satellite channels should be owned by one person, Trai Chairman Rahul Khullar said at industry body Assocham's conference on 'Cross Media Ownership'. "Most of the international experience ...

Public-sector union leader pessimistic about bargaining

Indianapolis Star

For Web video and more program times, see IPTV.org/iowapress. More. The head of Iowa's largest public-sector union Friday offered a fairly gloomy view of upcoming contract negotiations with the state, in light of a rocky and distant relationship with Gov.

Soap opera 2.0: the rise of branded entertainment in the age of smart TV

The Guardian (blog)

By 2015, 350 million internet-connected TVs will have been sold around the world, according to Vision IPTV. But what will the brand formats of the future look like on these devices? To predict this new phenomenon, and how brands will own their share of ...

YouView's launched but BT won't offer it until autumn

FierceIPTV

Just to clear up what's probably a little confusion these days about the on-again-off-again-on-again launch of British IPTV service YouView, the service did launch—at least to some customers—in time for the London Summer Olympics. But one of its key ...
