### NaMo TV goes on air

Indian Express

A day after the Assembly elections in Gujarat were announced, an IPTV website and a parallel cable TV channel, NaMo Gujarat, named eponymously after Chief Minister Narendra Modi, began operations on Thursday. The channel, which will telecast ...

### Next up, DOCSIS 3.1

FierceIPTV

The generally cautious--some would say slow--development of technology specifications is apparently ramping up to meet the desires--some would say impatient demands--of a growing base of technologically savvy users. As evidence, look no further than ...

### ThinkAnalytics Plugs Recommendations Into Microsoft IPTV System

Multichannel News

ThinkAnalytics is working to integrate its TV recommendations engine into Microsoft's Mediaroom IPTV platform, though the company won't say which operator or operators requested the feature. AT&T is the largest pay-TV provider that has deployed the ...

### Microsoft adds ThinkAnalytics recommendation engine to Mediaroom

FierceIPTV

Microsoft (Nasdaq: MSFT) has added the ThinkAnalytics Recommendation Engine to its Mediaroom IPTV partner program in a move the two parties say will let Mediaroom customers "deliver robust recommendations" to bolster the "personalized TV ...
