IPTV growth continues at slower pace, says IHS Digest

FierceIPTV

International analyst firm IHS Screen Digest believes there is "still plenty of room for growth" for U.S. IPTV providers, based on reported subscriber increases for both AT&T (NYSE: T) U-verse and Verizon (NYSE: VZ) FiOS, but the rate is slowing. This ...

IPTV growth slows down in US

IPTV News

While US telcos continued to add IPTV subscribers at a rapid clip in the fourth quarter of last year, growth does appear to be slowing for the nation's two largest providers, according to US research firm IHS. Verizon and AT&T reported a combined gain ...
