IPTV Global Forecast Through 2016: The Revenue Forecast Shows a Growth ...

Wall Street Journal

The success of IPTV, particularly in Asia, is due to strong growth in maturing markets like China and South Korea. Currently, China has the most IPTV subscribers worldwide and that trend will likely continue. The fastest growing IPTV regions continue ...

IPTV world rankings

Advanced Television

The world's 20 biggest IPTV operators served 83 per cent of global IPTV households last year, with nine of the top 20 located in Western Europe, according to SNL Kagan. It says that as of year-end 2012, the nine biggest IPTV operators in Western Europe ...

What IPTV means to viewers

Oskaloosa Herald

"Now, for some of us, we like to watch IPTV because it helps us, you know, further our minds," explained Konfrst, noting shows like "Nova" and "Nature." Konfrst also noted that some viewers who like to laugh will watch IPTV's British comedies, while ...

NanoTech Entertainment (NTEK) Partners With Hannover House (HHSE)

Stockhouse

The new venture will enable consumers to stream feature films on a pay-per-transaction basis, as either a traditional internet Video-On-Demand service or through the emerging IPTV digital channel formats. A "beta" site has already been published for ...
