IPTV service a shot in the arm for hospital patients

FierceIPTV

Jim Barthold, FierceIPTV A decade-and-a-half and a lifetime ago, I spent a week in the hospital. And, while I assure you the visit was necessary to restore a seriously diminished life essence, it proved to be more painful than just becoming a ... Oregon's IPTV middleware business rises thanks to BT switching off Mediaroom

FierceIPTV

Microsoft's (Nasdaq: MSFT) loss has been Oregon Networks' gain. The London-based middleware provider, which grabbed a huge chunk of business when BT Vision (NYSE: BT) dumped Mediaroom, reported 17.9 percent uplift in licensing and professional ... IPTV comes to Costa Rica

IPTV News

Costa Rica's state-owned telecoms and energy company Intituto Costarricense de Electricidad (ICE) has launched the country's first managed IPTV service, called 'kölbi hogar TV' and available nationwide. The service offers 87 linear channels, including ... Indiana hospital uses IPTV to educate patients

FierceIPTV

Evansville, Ind.-based St. Mary's Medical Center has adopted IPTV as a conduit to teach and entertain its patients, using time-shifted television to deliver a quadruple play of video, voice, data and TV. The hospital's in-house network is built on the ... Cord cutting has impact in Canada, but IPTV market share grows 12 percent

FierceIPTV

Results from the last two fiscal quarters show that cord-cutting is real for Canada's cable, satellite and telephone companies, according to research and consulting firm Boon Dog Professional Services. On a positive note, IPTV providers saw their ...
